

New Compensation Plan Business FAQs

These rules apply to the new Compensation Plan effective August 1, 2024.

Do I need to enroll to become a Consultant with Thrive Life?

Yes, you need to enroll for a \$40 fee. When you enroll, you'll get 6 months of free access to our Tech package, which includes:

- Customizable website link and webpage to showcase products
- Analytics for visitor tracking and reports
- Easy page sharing across the site
- Thrive Life App for access to on-the-go marketing and training, with optional company ping notifications for real-time updates

The Consultant enrollment fee is non-commissionable.

What if I want to buy additional Thrive Life materials or food when I enroll?

New Consultants may choose from 3 add-on bundle options to customize their journey *(these heavily discounted add-ons are only available at the time of enrollment)*:

- Business Materials Bundle – \$20: It includes helpful resources to start confidently sharing Thrive Life.
- Essentials Food Bundle – \$100: A selection of Thrive Life food favorites, ideal for discovering some of your favorites as you begin your journey with us!
- Chef's Food Bundle – \$200: A larger variety of delicious Thrive Life foods, perfect for sharing as you start your business!

The Business Materials Bundle is non-commissionable. Our food bundles (Essentials Food Bundle and Chef's Food Bundle) are commissionable.

Does a Consultant need a qualifying order each month?

Yes, to receive a commission check, you must place a personal minimum monthly order of \$50 (or \$100 if you have reached the rank of Director or above) after all coupons or Thrive Life Credit are applied. Shipping is not included in the total. If you do not place a qualifying order for six consecutive months, your Consultant status will be deactivated.

New Consultants receive bonuses for their first 3 months, but what month is considered month 1?

The month you sign up is considered month zero. The following month would be month 1.

What happens with bonuses when I achieve Ambassador for the first time?

When you achieve the rank of Ambassador for the first time, you will receive the Ambassador bonus in the following month.

What happens with bonuses when I achieve Mentor for the first time?

When you achieve the rank of Mentor for the first time, you will receive the Mentor bonus in the following month.

What happens if I reach Ambassador while still on my first 3-month Consultant bonuses?

You will continue receiving the new Consultant bonuses until the 3-month period ends. Then, in the 4th month, you will receive the Ambassador bonus. The same applies if you hit Mentor. The bonuses will “stack” consecutively until they have all been used.

Do I make money on my own order?

No, the total amount of your commissionable orders goes to your upline. However, you receive 10% in Thrive Life Credit on your personal orders. The amount of your orders counts toward your personal sales for rank purposes.

Can I use Thrive Credit to enroll or to purchase add-on bundles?

No, Thrive Life Credit cannot be used for enrollment or add-on bundles.

Can I use Thrive Credit for my personal delivery order?

Yes, you can use Thrive Life Credit on your personal order. However, to qualify for a monthly commission payout, you must make the monthly minimum qualifying purchase of \$50 (or \$100 if you have reached the rank of Director or above).

Can I be a Consultant if I do not want to build a team?

Yes, you can earn 5%-15% commissions on your personal sales and 10% Thrive Life Credit on your personal orders without building a team. You can also earn up to \$100 monthly in Thrive Life Credit on personal sales.

Is building a team the best way to earn residual income?

Yes, building a team is the best way to earn residual income. You will receive benefits from both your personal sales and a portion of your team's sales.

What is the Max Rank rule?

Upon reaching the rank of Silver and above, there is a limit on the number of team sales that can be used from one leg of your Level 1 Consultants. The remaining sales must come from your own efforts or from other legs on your 1st level to meet the required volume for ranking.

What is the payout for customers using the referral link?

If a customer shares their referral link and someone buys using that link, the customer will receive 10% of the subtotal at wholesale prices.

How long do I have the free tech package after becoming a new Consultant?

You receive the tech package for free for 6 months after enrolling. After that, it costs \$9.99 per month.

Can Consultants participate in new Consultant, Ambassador, or Mentor bonuses more than once?

No, even if your Consultant account is deactivated/purged out and you sign back up later, you can only receive these bonuses once per lifetime per SSN or SIN.

Does Thrive Life Credit expire?

Yes, Thrive Credit expires after 90 days if not used.

What is max rank?

Max rank is the highest rank a Consultant has achieved in their lifetime with Thrive Life. You will be acknowledged by that rank, but you will only be paid for the rank you achieve each month.

What new rank was added as of August 1, 2024?

A new rank, Diamond, has been added. This is the highest rank you can achieve in Thrive Life.
